CARE, CONFIDENCE AND COMFORT

A World of Safety & Freedom

We have gone to all possible lengths in terms of our hotel operations and disinfection policies to create a safe environment with the Infinite Care Protocol™.

Testing Guests & Employees

Your ring of confidence is strengthened by our Covid-19 testing procedures, which include regular molecular diagnostic testing for employees. All guests are strongly advised to undergo a test 72h prior to arrival and in case of no testing before travel, a compulsory complimentary rapid antibody test will be offered upon arrival. At all resort entry points there are non-invasive touchless temperature measurement devices, and across the resort there is round-the-clock medical support and the possibility to explore insurance options at time of booking.

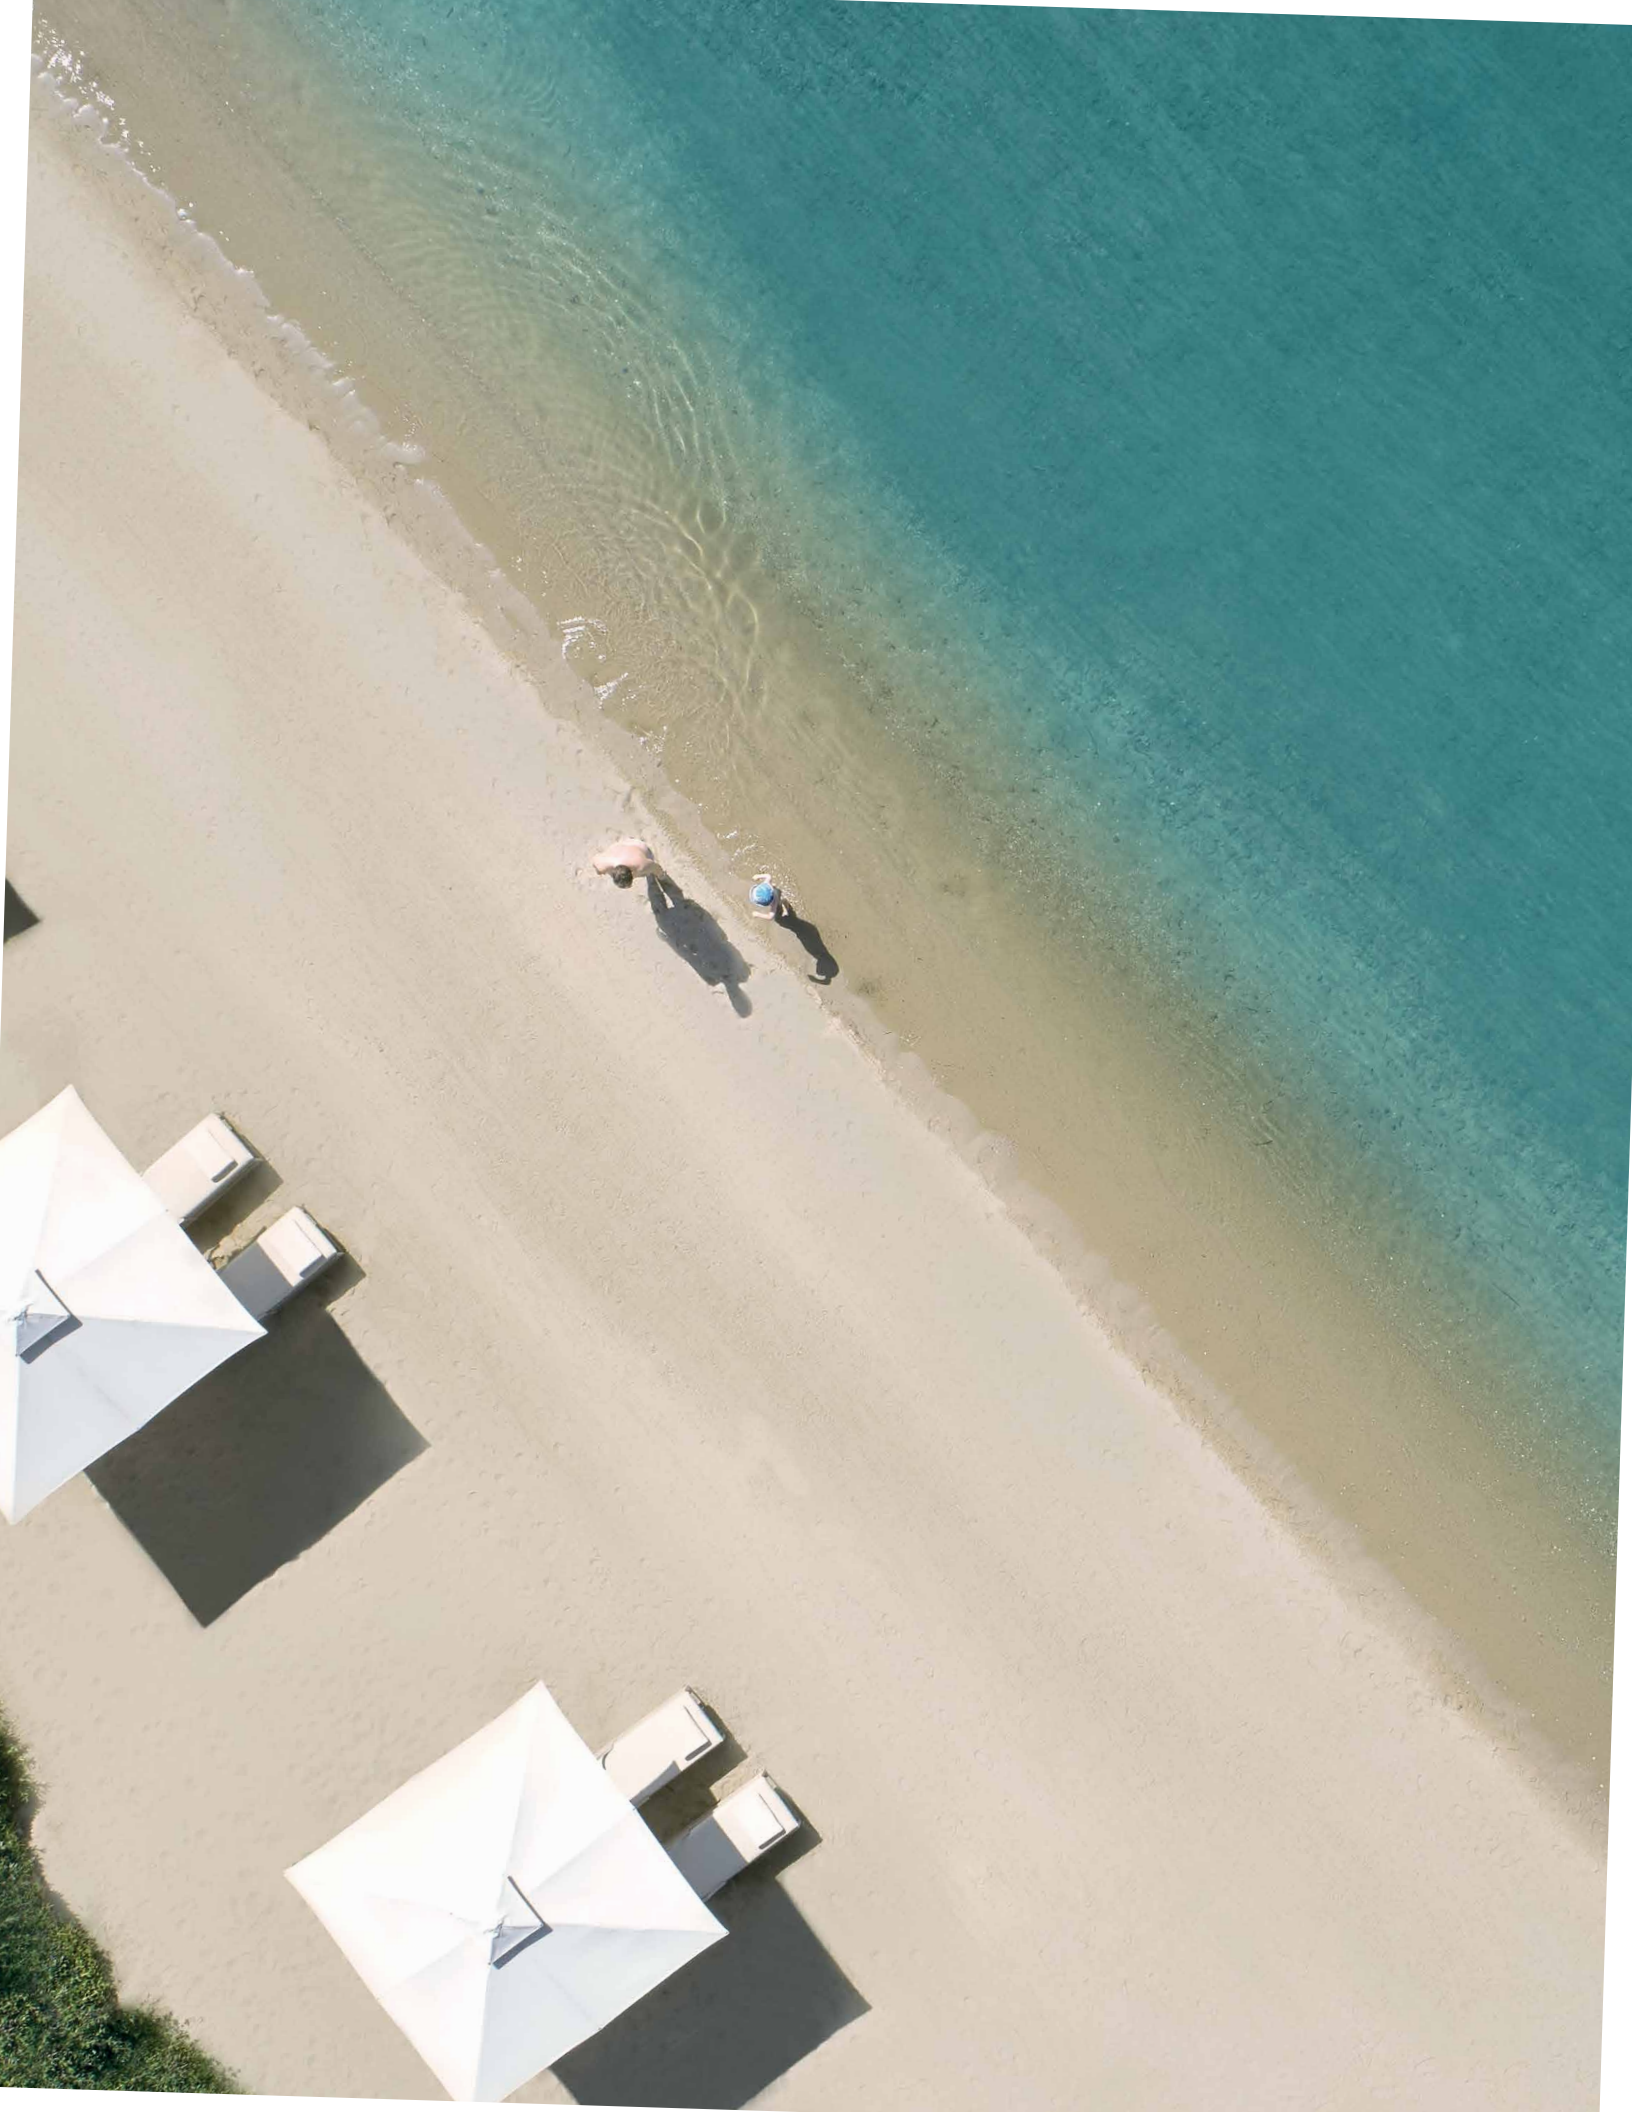

A Touchless & Safe Guest Journey throughout your holiday experience

With our Infinite Care Protocol™ you can expect the traditional trademark dedication to your comfort and care, with all the usual luxury elements, but now with extra safeguards such as; protective equipment, physical distancing, 2m rule applied in all public areas, Ecolab approved rigorous cleaning and disinfectant protocols down to the tiniest detail, in-resort signage and info, and abundant hand sanitizers. In a period when it is wise to limit face-to-face contact, Ikos Resorts' concept of a touch-free journey brings you extra reassurance, as well as a taste of the future. From your check-in to the end of your holiday, state-of-the-art digital technology and the upgraded Ikos Resorts mobile app mean that you can enjoy an extra level of safety by limiting personal interaction wherever possible.

The Space to Unwind

The certainty of the safe environment is elevated by the design of the elegant and airy resort spaces, so that they never feel overcrowded.
